

## Watered-Down Truth: Homosexuality

Rev. Gary W. Belk

What has happened to TD Jakes?

Concerning "Homosexuality" what matters is not what the various churches believe or the differences with individuals who are choosing to participate in the sinful activity of homosexuality and what they believe, but what God has written. The Bible is perfectly clear on disobedience that leads to unacceptable and sinful behavior. Jesus is not coming back to a church with spots and wrinkles. Get real TD..... Jesus is coming back to a Church without....let me say that again... **"without spots and wrinkles!"** You've got a microphone....use it to bring praise, honor, and glory to God -and- not to self.

Sounds like TD Jakes is "lukewarm" concerning his relationship with God.... Read Revelation to see what happens to lukewarm Christians!

Now for those who have been deceived by Satan as well as some churches that water down the Truth just to fill the seats and pay the bills - there is HOPE - The Bible says, Submit to God, resist Satan - and he will flee from you.

As the created we have all been disobedient and that disobedience leads to unacceptable and sinful behavior. All unacceptable and sinful behavior flows from an act or acts of disobedience.

God has given the Christian everything he/she needs for life and godliness and that's the ability to participate in God's divine nature. Participating in His divine nature allows the Christian to escape the corruption of this world and Satan's deception as well as temptation.

The Holy Spirit that dwells within you can enable you to overcome your "Transgression of Choice (Same Sex temptation)" as you call upon him.

The Apostle Peter challenges Christians to be holy just as God is holy. (1 Peter 1:16)

Who are you going to listen too? TD Jake's watered down truth or what Peter has written which is the "Truth."

My prayer is found in Ephesians 1:17, I pray that you might receive the "spirit of wisdom" and the revelation of the knowledge of him (God)."
